

24" & 36" Panel Fans

J&D Manufacturing's 24" and 36" Panel Fans have a rugged x-frame mount with an efficient motor and a powerful balanced blade that is designed to create comfortable air velocity.

The cushion-mounted maintenance-free bearings and heavy-duty automatic belt tensioning system on belted models make this fan high performing, low maintenance, and a great value.

Features

- Ships fully assembled ready for installation
- Includes heavy-duty hanging chain kit
- Durable cast iron pulleys on belt drive models
- Balanced high-output prop
- Heavy-duty G90 galvanized 18-gauge venturi
- 36" belt drive models include a heavy-duty spring belt tensioning system
- 24" models have a rigid guard motor mount
- 36" models have X-frame that provides superior strength and rigidity compared to angle iron, square or round tube designs
- Shaft bearings are eccentric locking, pre-lubricated, permanently sealed, rubber mounted for smooth operation and reduced blade fatigue, and are covered by a **Three Year Warranty**
- Wide assortment of optional mounting brackets for wood and steel posts for precise airflow
- Totally enclosed, maintenance-free, high-efficiency motors have completely sealed ball bearings, UL and CUL recognized, and are covered by a **Two Year Warranty**

36" Direct Drive 3-Blade Panel Fan
